## About Us

India suffers from a severe shortage of trained paramedical personnel (Allied Health Professionals AHP). On this backdrop, **SFS Academies**, an academic institution for AHPs was established in 2013 in West Bengal. It was founded by specialist doctors with in-depth experience of the health sector and expectations from AHP.

Today, powered by the performance of our students working across the country, we have grown to be present in **6 states** in India.

## Our Mission

Educate next generation of Allied Health Professionals for the health sector.

## Our Vision

We will achieve this by building a multi-state, multi-lingual network of institutions. We will focus on best in-class education standards, contemporary curriculum and state-of-the-art infrastructure. We will draw our students from among the rural & semi urban youth with low formal education & divergent social backgrounds. Our education will go beyond imparting knowledge and skills — it will transform lives, one life at a time.

## Why Choose us?

- *Founded by specialist doctors*
- *Led by expert faculty*
- *The only organisation in India with 3 schools in IIT (Guwahati & Indore) & NIT (Meghalaya)*
- *Own multi-lingual study material*
- *Enriched Curriculum - English, Computer & Soft Skills*
- *Hybrid training (Online & In-person)*
- *Network of 80+ hospitals in India*
- *State-of-the-art laboratories*
